

CURRICULUM VITAE STEPHEN R. MANSKE

Centre for Behavioural Research & Program Evaluation
University of Waterloo, Waterloo
Ontario CANADA N2L 3G1

Phone: (W) 519-888-4518
Fax: 519-886-6424
E-mail: manske@healthy.uwaterloo.ca

EDUCATION

2001	Ed.D., Adult Education	University of Toronto – Ontario Institute for Studies in Education
1981	M.Sc., Health Behaviour	University of Waterloo
1976	B.Sc. (Honours), Kinesiology	University of Waterloo

RESEARCH EXPERIENCE

2001- now	Health Studies & Gerontology, University of Waterloo	Research Assistant Professor
2004 - 2001- 04	Centre for Behavioural Research & Program Evaluation, University of Waterloo	Scientist Research Associate
1999 - 00		Research Co-ordinator
1997 - 98	Community & Schools Study Group	Chair: Sociobehavioural Cancer Research Network
1995 – 99	Health Studies, University of Waterloo	Project Director: Health Behaviour Research Group
1994 – 95	Centre for Behavioural Research in Cancer, Melbourne, Australia	Visiting Academic Associate
1989 – 94	Health Studies, University of Waterloo	Project Director: School-based smoking intervention project
1988 - 91	Health Studies, University of Waterloo	Adjunct Lecturer, Community Health, Introductory Health Course module
1985 - 88	Health Studies, University of Waterloo	Sessional Lecturer, Social Psychology of Health Behaviour
1984 – 89	RBJ Health Management Associates	Research Associate: Smoking & Weight control for Canadian Forces
1980 – 89	Health Studies, University of Waterloo	Project Director: Longitudinal study of social psychology of non-medical drug use and other health behaviours
1976 - 78	Kinesiology, University of Waterloo	Project Director: Alcohol Education Research Project

Awards		
1999	Doctoral Research Award	Medical Research Council of Canada – ranked 5 th of 200+ applicants
1984	Ortho Literary Award	Family Physicians in Canada journal

GRANT / CONTRACT SUPPORT

2007-12	Commitment to Impact: Shaping the Future of the Centre for Behavioural Research and Program Evaluation (R Cameron, S Campbell, S Manske , B Riley)	National Cancer Institute of Canada (NCIC)	\$18,805,892
2007-11	Developing, Refining, and Evaluating a School-Based Intervention to Enhance Health Behaviours in Teens (D Murnaghan, PI, C Blanchard, S Campbell, A Card, R Gray, J Hudec, L Langille, R Lyons, D MacLellan, C MacQuarrie, S Manske , W Rodgers, P Smith, M Thompson)	Canadian Institutes of Health Research (CIHR)	\$1,289,801
2007-11	Developing, Refining, and Evaluating Schools and Families for Health: A School-Based Intervention to Enhance Health Behaviours in Teens (D Murnaghan, PI, C Blanchard, A Card, R Gray, J Hudec, R Lyons, D MacLellan, C MacQuarrie, S Manske , W Rodgers, P Smith, M Thompson)	NCIC	\$1,133,619
2006-07	Collaborative Wellness Initiative (W Morrison, PI, G Losier, H Sears, S Manske)	New Brunswick Department of Wellness, Culture & Sport	\$215,000
2006-2009	The impact of tobacco control programs, policies and community environments on adolescent tobacco use: Renewal for phase 2 (C Lovato, PI KS Brown, E Adlaf, S Burt, S Campbell, J Eyles, S Manske , C Nykiforuk, C Sabiston, M Thompson)	CIHR	\$663,858
2006-07	School Smoking Policies and Tobacco Use: A National Survey of Grades 5-12 (C Lovato, PI, F Best, A Diener, S Manske , C Nykiforuk, C Sabiston)	Canadian Tobacco Control Research Initiative (CTCRI)	\$80,000
2006	Development of the School Health Environment Survey (Healthy Eating and Physical Activity) (S Manske , PI, S Leatherdale, C Sabiston)	Ontario Ministry of Health Promotion	\$45,839 (CONTRACT)
2006-07	Encouraging Evidence-based Practice via a Public Health Community of Practice (S Manske , PI, S Leatherdale, M Murphy)	CIHR	\$50,000
2006-07	Implementing the 2006 Youth Smoking Survey (S Manske , PI, KS Brown, M	Health Canada	\$1,991,000 (CONTRACT)

GRANT / CONTRACT SUPPORT

	Thompson, et al.)		
2005-06	Creating Data Analysis Tools for Local Public Health (SHAPES). (Manske S., PI , Cowan D.)	Sociobehavioural Cancer Research Network	\$10,000
2005	Relation of Leisure and Smoking (Manske S, PI , Mannell R, Kaczynski A)	Sociobehavioural Cancer Research Network	\$5000
2004-2006	SHAPES_ON (School Health Action, Planning, Evaluation System Ontario) (Manske S, PI , Leatherdale S, Brown KS, Thompson M, Wong S)	Ontario Ministry of Health and Long-Term Care & Ministry of Health Promotion	\$511,000
2004-2006	Indicators and Measurement Items for Outcome Evaluation of Youth Smoking Cessation Interventions: Youth Consultation and Expert Review Workshop (Copley T, PI, Lovato C, Manske S , Maley O)	Health Canada	\$50,000
2005-2006	A national survey of school smoking policies and adolescent tobacco use (Lovato C, PI, Nykiforuk C, Manske S , Best F)	CTCRI	\$80,000
2005-2006	Smoke-free spaces: A better practices review to identify cross-setting lessons for action and research (Nykiforuk C, d'Avernas J, Manske S , Lovato C, Perley M, Smith P)	CTCRI	\$80,000
2005-2008	Evaluating the effectiveness of the dissemination of Action Schools! BC: a socio-ecological intervention to increase physical activity and healthy eating in school children (Naylor PJ, PI, McKay, HA, R Rhodes, S Manske , J Wharf Higgins)	CIHR	\$600,000
2004-2005	Implementing the 2004 Youth Smoking Survey (S Manske, PI , KS Brown, M Thompson, MA Jolin)	Health Canada	\$1,619,320 (CONTRACT)
2005-2007	Exploring knowledge brokering in public health: A natural phenomenon (Dobbins M, PI, Cameron R, Ciliska D, Jack S, Lavis J, Manske S , Mercer S, Micucci S, Mills C, O'Mara L, Thomas H)	CIHR	\$194,340
2004-2009	A Pan-Canadian Resource Network for Tobacco (P MacDonald, PI, Fong G, S Manske , C Lovato, S Campbell, et al)	Canadian Tobacco Control Research Initiative (NCIC, CIHR, HSF) – ICE Grants	\$1.5 million
2004	2002 Youth Smoking Survey Technical Report (S Manske PI , A Diener, KS Brown, P Smith, J O'Loughlin, S Leatherdale, J Cohen, W Morrison, C Lovato, R Ferrence, E Adlaf, P McDonald, M Kaiserman, J Snider, M Morin)	Health Canada	\$234,982 (CONTRACT)

GRANT / CONTRACT SUPPORT

2004-05	Development of the School Smoking Profile Business Plan (R Cameron PI, KS Brown, S Manske & D Cowan)	Health Canada – Tobacco Control Programme	\$67,500 (CONTRACT)
2004	School Smoking Profile in Two PEI French Schools (P Smith, S Manske, Co-PI)	University of Prince Edward Island	\$2,248
2004-2005	CAN-SPANN – Canadian School Physical Activity and Nutrition Network (L Brawley, Co-PI, S Manske Co-PI , R Cameron, C Craig, I Gauvin, R Hanning, L McCargar, D Murnaghan, R Plotnikoff, K Raine, A Tremblay)	CIHR – Healthy Body Weight RFA	\$100,000
2003	Funds to Complete SSHRC-SSP Study (S Manske PI)	SCRN-Tobacco Research Team	\$9,525
2003	The School Smoking Profile: Intervention and Evaluation in Winnipeg (S Manske PI)	Winnipeg Regional Health Authority & Seven Oaks School District	\$10,305 (CONTRACT)
2003-2009	Reconfiguring Physical and Social Environments to Improve Health: Research Infrastructure Development in Atlantic Canada (R Lyons, J Willms, S Bornstein, D Murnaghan, C Blanchard, S Manske et al)	CIHR - Reconfiguring Physical and Social Environments to Improve Health: Research Infrastructure Development in Atlantic Canada	\$2.4 million
2003-2004	Investigating a Multi-faceted Approach to Tobacco Control: The Hampton High School Initiative (W Morrison PI, S Manske)	Health Canada	\$43,300
2003-2006	Evaluating the Evidence on Knowledge Brokers: Comparing Strategies to Support Decision Makers' Translation of Evidence on Physical Activity and Healthy Body Weight Among Children (M Dobbins, PI, S Manske , C Mills, L Green, S Mercer, R Cameron, L O'Mara, D Ciliska, S Hanna, H Thomas)	CIHR – Open competition	\$695,000
2003	Writing Summary Modules for the Report "From Stroke Prevention to Health Gain" (S Manske (PI) , C Mills)	Ministry of Health and Long Term Care	\$15,368 (CONTRACT)
2003-2006	Understanding and Testing Knowledge Translation Strategies in Tobacco Control Evaluation at National, Provincial and Local Levels (S Manske, PI , C Lovato, W Morrison, D Harvey, R Cameron)	CIHR - Knowledge Translation Strategies for Health Research RFA	\$294,144
2003-2004	International Best Practices for Diabetes Prevention: Identification and Dissemination (R Hanning, S Manske)	Canadian Diabetes Strategy: Prevention and Promotion Contribution Program, Health Canada	\$140,000 (CONTRACT)
2002	Stroke & Chronic Disease Prevention Framework (S Manske, PI , C Mills, R Cameron)	Ontario Prevention Clearinghouse	\$60,000 (CONTRACT)

GRANT / CONTRACT SUPPORT

2002	Examining Youth Tobacco Use Prevention: A Discussion Paper (S Manske, PI , M Dobbins, P McDonald, C Lovato, K DeCorby)	Health Canada: Tobacco Programs	\$80,000
2002-2007	Tobacco Research Training Program (R Cameron, PI, MJ Ashley, KS Brown, R Ferrence, J Johnson, et al, S Manske)	Canadian Institutes of Health Research	\$1.8 million
2002-2003	Understanding the Linkage of Science & Practice in a National System Supporting Best Practices in Tobacco Control (S Manske, PI , R Cameron, C Lovato, J Garcia, D Harvey, C Moyer, C Sutherland-Brown, C Maule)	Canadian Institutes for Health Research	\$77,212
1999-2003	Enabling Communities to Plan Youth Tobacco Use Reduction (with R Cameron, PI , KS Brown, C Lovato, S Campbell, J Eyles, S Manske , D Murnaghan, C Moyer)	Social Sciences & Humanities Research Council	\$444,185
1998-99	Comprehensive School Nutrition Initiative (S. Evers, PI ; R. Bell, S Manske)	Ontario Ministry of Health	\$54,000
1997-98	Community Identification of Research Topics (L. Green, PI ; S Manske ; K. Olsen)	Socio-behavioural Cancer Research Network, NCIC	\$16,983
1996-97	Diffusion Plan for Youth Tobacco Use Reduction Programs in Ontario (S Manske ; E. Antunes)	Canadian Cancer Society / Health Canada	\$119,840
1995-96	ACOCC Paper Series on Cancer Control (S Manske, PI , J. Till, K.S. Brown, A.J.R. Cameron, R. Cohen, K. Olsen, P. Ritvo)	Advisory Committee on Cancer Control, NCIC	\$50,000
1995	Pilot Study: Measurement of Youth Smoking Behaviour	Socio-behavioural Cancer Research Network, NCIC	\$10,000
1994-95	High School Action Guides for Tobacco Use Reduction (S Manske, PI , B. Payne)	Ontario Tobacco Strategy, Ontario Ministry of Health	\$12,000 (CONTRACT)
1993	A Consensus Conference on Principles for High School Smoking Interventions (S Manske for Council for a Tobacco Free Ontario)	Health Promotion Branch, Ontario Ministry of Health	\$18,760
1992-93	Evaluation of a Heart Health Play (S Manske, PI , R. Walker)	Brant-Haldimand-Norfolk Heart Health	\$2,000
1991	Lifestyle Behaviour Change for Health Promotion (R. Cameron PI , S Manske)	Health Promotion Branch, Ontario Ministry of Health	\$3,600
1978	Planning Smoking Reduction & Health Promotion Services for Industry (S Manske, PI ; R Schlegel)	Non-Medical Use of Drugs Directorate, Health Canada	\$7,800
1975	Survey of High School Teachers Attitudes toward and Use of Drug, and Drug Education (S Manske, PI ; R Schlegel)	Non-Medical Use of Drugs Directorate, Health Canada, RODA Summer Scholarship	\$2,500

Publications & Presentations STEPHEN R. MANSKE

Publications (Peer Reviewed)

Submitted

1. Kaczynski, A.T., Manske, S.R., Mannell, R. & Grewal, K. (submitted October 2006). Smoking and physical activity: A systematic review. *American Journal of Health Behavior*.
2. Costa, M.L., Wong, S.L., Manske, S.R., Leatherdale, S.T. (submitted October 2006). Validation of a Measure of Active Time in Physical Education. *Journal of Adolescent Health*.
3. Leatherdale, S.T., Wong, S.L., Manske, S.R., & Colditz, G.A. (submitted October 2006). Physical activity, smoking, BMI, and weight concerns among youth: Is having a big butt or believing your butt is too big associated with moving your butt or smoking butts? *Annals of Behavioral Medicine*.
4. Dobbins, M., DeCorby, S., Manske, S., & Goldblatt, E. (submitted July 2006). Effective practices for school-based tobacco use prevention. *Preventive Medicine*.
5. Grewal, K., Manske, S.R., Wong, S.L., Leatherdale, S.T., & D'Souza, J. (submitted July 2006). Practice-based evidence: Designing and testing a school-based questionnaire for physical activity assessment. *Health Promotion Practice*.

Published

6. Leatherdale, S.T., Manske, S., Wong, S., & Cameron, R. (in press November 2006). Integrating research, policy and practice in school-based physical activity prevention programming: The School Health Action, Planning and Evaluation System (SHAPES) Physical Activity Module. *Health Promotion Practice*.
7. Reid J.R., Manske S.R., Leatherdale S.T. (in press November 2006). Factors related to adolescents' estimation of peer smoking prevalence. *Health Education Research*.
8. Wong, S.L., Leatherdale, S.T. & Manske, S.R. (2006). Reliability and validity of a school-based physical activity questionnaire. *Medicine & Science in Sports and Exercise*, 38, 9, 1593-1600.
9. Cameron R, Manske SR Brown KS, Jolin MA, Murnaghan D & Lovato CY (in press February 2006). Integrating Public Health Policy, Practice, Evaluation, Surveillance, and Research Using Local Data Collection and Feedback Systems: The Example of the School Health Action Planning and Evaluation System (SHAPES). *American Journal of Public Health*.

MASTER'S THESIS (1981)

Rokeach's Self-Confrontation Theory and Smoking Cessation: Role of Self-Concept.
(Supervisors: Dr. J. Allan Best & Dr. Ronald P. Schlegel, University of Waterloo)

DOCTORAL THESIS (2001)

Explaining Knowledge Use among Clients of the Program Training and Consultation Centre.
(Supervisor: Dr. Kenneth Leithwood, Ontario Institute for Studies in Education / University of Toronto)

STUDENT SUPERVISION

Name	Degree	Start / End Date	Topic	Current Position
Roth, Melissa	MSc	Sep 06		In progress
Hobin, Erin	PhD	Sep 06		In progress
Pearce, Nancy	PhD (member)	Sep 05	Needs Assessment and Peer Support Programs for Older Adults Living with Cancer	In progress
Bonin, Elissa	MSc (supervisor)	Sep 05	How Context Influences Knowledge Use in Public Health Unites	In progress
Lambraki, Irene	PhD (supervisor)	Sep 05		In progress
Costa, Michelle	BSc (supervisor)	Sep 05 – Apr 06	Validating a Measure of Active Time in Physical Education Class	Research Assistant
Raphael, Alissa	MSc (member)	Sep 04 – Sep 06	School Beverage Contract & Childhood Obesity: A Case Study	Law Student
McGoldrick, Kathryn	MSc (member)	Sep 04 – Aug 06	Sweetened Beverage Consumption of Peel Adolescents: Nutritional Correlates and Influence of the School Food Environment	PhD student
Yang, Jilan	MSc (member)	Sep 04 – Aug 06	Association of School Environmental, Personal, and Behavioral Variables with Adolescent Physical Activity	PhD Student
Wong, Suzy	PhD (member)	Sep 03	PA & school? (committee member)	In progress
Lineker, Sydney	PhD (co-supervisor)	Sep 03 (p-t)	Factors influencing health care provider implementation of arthritis best practices in primary care in Canada: clinical practice guidelines	In progress
Morales, Rosanna	MSc (co-supervisor)	Sep 04 – Aug 06	Developing A Web Tool to Support Youth Tobacco Control	PhD Student
Kroeker (Atkinson), Christina	MSc (member)	Dec 04- July 05	School and surrounding community influences on school smoking prevalence	Research project manager
Skinner, Kelly	MSc (member)	Sep 04-Aug 05	An Exploration of the Strengths, Weaknesses, Opportunities & Threats for Physical Activity and Healthy Eating in First Nations	PhD Student

Name	Degree	Start / End Date	Topic	Current Position
			Youth...	
de Sousa, Junelle	BSc (supervisor)	Jan 04-Apr 05	Assessing validity and comprehension of a survey of self-reported physical activity by youth: A pilot test	Research Assistant
Reid , Jessica	BSc (supervisor)	Jan 04-Dec 04	Factors related to peer-smoking estimation in adolescents	MSc Student
Csubak, Jessica	BSc (supervisor)	Sep 03-Apr 04	Relation of school-& student-level connectedness to adolescent smoking behaviour: A case study	Transitional work
Robinson, Sarah	MSc (supervisor)	Sep 03- Aug 05	Assessing the reliability and validity of the Network Engagement Questionnaire: Can engagement predict knowledge use in a community of practice?	Research project manager
Diemert, Lori	MSc - (supervisor) Medical leave	Sep 01/	Predicting susceptibility to smoke cigarettes: Individual and school-level variables	Ontario Tobacco Research Unit
Reitsma, Angela	BSc (supervisor)	Sep 02-Apr 03	Smoking in Ontario schools. Does policy make a difference?	Midwife
Vogt, Kelly	BSc (supervisor)	Sep 02/Apr 03	Usual Sources of Cigarettes for Ontario Adolescents	Student (U Western Ontario, medicine)
Phaneuf, Marie Rose	BSc (supervisor)	Sep 00/Apr 01	Identifying Best Practices for Group Smoking Cessation: Comparing CCS Fresh Start to Best Practices.	Medical Doctor
Jackson, Aaron	BSc (supervisor)	Sep 99/Apr 00	Systematic Review of Research Gaps in Self-Help Based Smoking Cessation for Adults	Medical Doctor

TEACHING

2006	Cross-Disciplinary Approaches to Knowledge Exchange in Population Health	2 Masters, 3 PhD students
------	--	---------------------------

2005	Measurement of Youth Physical Activity and Smoking	1 MSc
2004	Knowledge Exchange in Population Health	1 PhD student
2004	Cross-Disciplinary Approaches to Knowledge Exchange in Population Health	8 Masters & PhD students
2004	Interplay between communities of practice and group process: integration of concepts, application of quantitative methods and processes associated with the development of communities of practice	1 PhD student

COMMITTEES AND OTHER SERVICE

Type of Service	Year	Organisation / Journal
Conference Planning	2006	Co-Chair, Scientific Review Committee, Chronic Disease Prevention Alliance of Canada Conference
Grant Review Panels	2005	CIHR Knowledge Synthesis (two panel sessions)
	2004	Canadian Tobacco Control Research Initiative
	2001 – 2004	Ontario Tobacco Research Unit – Student & Investigator Awards
Committees	2006 –	Youth Action Alliances Evaluation Advisory Committee
	2005 –	Research and Knowledge Transfer Sub-committee of the Ontario Ministry of Health & Long-Term Care Capacity Review Committee and the Public Health Agency Implementation Task Force
	2002 –	National Tobacco Control Best Practices Working Group (CTCRI)
	2003 –	National Advisory Group on Methods & Evaluation (CTCRI)
Journal Reviewer	2005	Health Reports a quarterly publication of Statistics Canada
		Health Education Research (2 [including resubmission]) Canadian Journal of Public Health
	2004	Addictions, Canadian Journal of Public Health
	2002 – 03	Evaluation & Program Planning, American Journal of Public Health, American Journal of Preventive Medicine
